

Title: Re-energize yourself at Shore Club Cabanas

It's not just the elegant design that grabs your attention here - Shore Club's cabana is perfect for your intimate party or a public gathering. Guests at Shore Club enjoy every moment they spend basking under the cool shade of the resort's cabana.

As a part of Morgans Hotel Group, Shore Club is a spectacular ocean-side resort where you can discover many opportunities for fun. Shore Club is located in the South beach of Miami that itself is renowned for its breath-taking wonderful landscapes.

Shore Club treats its guests with pleasant views of Atlantic Ocean and has two pools that personifies the perfect charm of cabanas and makes this resort a perfect place to relax. Shore Club cabanas' private indoor sitting with cushioned sofas, hand-painted pillows, large painted throws designed by Izhar Patkin and Kim MacConnel and its adjoining bars makes it a wonderful place for variety of recreational and business activities.

Rumbar has an outstanding selection of 75 different rums and intimate space and backdrop for the potted climber plants and Sandbar, with its own private setting in the sand lends itself to smaller private parties, soothes your mind and body instantly.

One of the very special features of the Shore Club is Chef Nobu Matsuhisa's Japanese cuisine empire that brings a burst of excitement to the cool sophistication of Shore Club and the famous Miami Beach scene.

Beach House at Shore Club is a private duplex villa with separate entrance, private pool and outdoor dining and lounge area. This two story accommodation is 800 square feet and is available as a luxury South Beach rental for extended stays and private events.

With spacious lobbies, elegantly furnished suites, bungalows, exotic penthouses, pools, beaches, spas and skybars, Shore Club resort is a premier destination to re-energize your soul. Exquisite features of the resort are:
